

The Island Sailing Club History

A great deal of research was carried out and information compiled by a small but enthusiastic group of members, led by Rosemary Joy, following years of extensive writings by the late past Commodore, Eve Woodyear.

The book is a blend of narrative and photographs, both colour and black & white, running to over 200 pages 9.5" x 8". It provides a unique record of the first 125 years of the Club. It also shows interesting insights as to how sailing in The Solent has evolved over the years. The Royal family has had a long association with the Island Sailing Club, with Her Majesty The Queen being a Patron and His Royal Highness Prince Philip The Duke of Edinburgh being a Club member. Prince Philip kindly wrote the foreword for this special book.
